PETITION FOR PROPER OFFICE ACTION

Mail Stop
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

August 10, 2004

Sir:

Receipt is acknowledged of an apparent Office Action in connection with the above-identified application having a mail date of April 27, 2004, which was received in the office of the undersigned on July 29, 2004 in which the Office Action Summary indicates that the Office Action is responsive to communication(s) filed on 24 June 2004. A copy of the communication bearing the mail date and having the stamp received date on the opposite side together with the Office Action Summary is attached.

Also enclosed is the information from PAIR in connection the above-identified application indicating a Non-Final Rejection of July 22, 2004 with the status "Non Final Action Counted, Not yet Mailed", which was printed on this date. From the records of PAIR, it appears that the apparent Office Action received in the office of the undersigned has not yet been mailed, but applicants consider it necessary to correct the records and determine whether or not a period for response actually exists, recognizing that the mail date of April 27, 2004 is not proper.

For the foregoing reasons, applicants petition for issuance of a proper and correct Office Action with a proper mail date thereon.

Respectfully submitted,

Melvin Kraus
